Each case will be considered on its own merit and the decision of the Commissioner and the Advisory Board will be final.

Grandfather status is granted to players who have been actively employed on or off Broadway and/or played on Broadway Show League teams for at least 10 years. Individual cases are subject to the Commissioner’s discretion. Do not assume a player is grandfathered without checking with the League's Commissioner.

NO PLAYER MAY PLAY FOR MORE THAN ONE TEAM IN ONE SEASON

All managers are advised to check the eligibility of every player prior to taking the field in a game. If a manager has a question about the eligibility of a player, the manager should check with the Commissioner for a ruling prior to using the player. **IGNORANCE WILL NOT BE CONSIDERED A VALID EXCUSE FOR ANY INFRACTION OF THE ELIGIBILITY RULE.**

AFFILIATION:

Any eligible player may play for any show team. However managers are encouraged to give first opportunity to those who are directly connected to their show to play in the game. Organizations and Union teams must field from their eligible members and office employees. League eligible women may play for any team.

Among those who are not eligible to play in the Broadway Show League are:

Personnel who are paid a minimum of paychecks for the sole purpose of trying to make them eligible for the Broadway Show League.

Financial contributors.

Audience members.

Should any team be found to have fielded an ineligible player, that team is subject to forfeiture of all games in which the ineligible player has played (no matter when the infraction is discovered) - Any person associated with the Broadway Show League may report a suspected infraction of the eligibility rule at any time and the report will be investigated by the Commissioner and/or the Advisory Board. The identity of the person making the report shall be held in total confidence.

Affiliated Player: Anyone who since January 1st of this year, has worked on the show whose team they wish to play on, in any capacity, either for the house, on stage or backstage, or in the respective production office. Any current Union member is also affiliated to that Union's team. Union members currently employed by a show are strongly encouraged to play for that show.

Unaffiliated Player: A league eligible player according to the statement above (see "Player Eligibility"), who is not currently holding a position on a Broadway or Off-Broadway production.

Teams may have an unlimited number of affiliated players and a maximum of FIVE (5) unaffiliated players on their roster.

GENERAL RULES: Unless specifically stated, ASA Slow Pitch rules apply.

Home teams shall be determined by the schedule. In the playoffs the home team shall be determined by the better record in the season standings.

Games shall start promptly at times designated at the beginning of the season. A team has a grace period of 15 minutes maximum to field a team. If after that time, a team cannot take the field, the game will be forfeited. If play occurs after a forfeit, the game does not count in the standings.

Games are seven (7) innings, except the Championship games, which shall be nine (9) innings.

Four (4) innings constitutes an official game.

If after five (5) full innings are completed a team is behind by fifteen (15) or more runs the Mercy Rule shall take effect, the umpire will halt the game and declare the leading team the winner. Teams have the option of continuing the game, but the score at the time the Mercy Rule is called will be considered the final score in the standings.

5a. If after three (3) full innings a team is behind by twenty-two (22) or more runs, the Mercy Rule shall take effect. Teams do not have the option of continuing the game.

It is the responsibility of managers to field a legal team of a minimum of eight (8) players and a maximum of ten (10) players at the scheduled time on the assigned diamond. Two (2) of those starting eight must be female. A team has the option of batting an extra hitter (EH) for a total of 11 players in their line-up. There is no designated hitter (DH). All position players must bat. If a team fields only eight (8) players, a ninth (9) spot is added to the line-up and is an automatic out when that spot comes to bat, until such time that a ninth (9) player joins the team. At that time, the player may bat in the ninth spot, if his/her team is at bat. The ninth player may play the field only at the beginning of his team's defensive half of an inning.

Forfeits: A team that forfeits shall pay the entire Umpire's fee due from both teams. A team may not take the field for the following week's game until umpire's fee from the previous forfeit week is paid to the League. Teams that forfeit 2 regular season games may be eliminated.

Any of the starting players may be withdrawn and re-enter once, provided that the original player is placed in his or her original position in the batting order.

Courtesy Runner: Any team may request the use of a courtesy runner, who, if allowed by the opposing Manager, shall be chosen from those players not playing in the game. Men must run for men and women must run for women. Barring injury, requests for a courtesy runner should be made before the start of a game.

Pinch Runner: A pinch runner may be inserted at any time during the game. A pinch runner replaces a player in the field when his or her team retakes the field, and takes over the replaced player's spot in the batting order. A man may not take a woman's spot in the batting order.

No Pick-off play: Runner cannot leave the base until the ball crosses the plate.

Ties in the season standings shall be resolved by the Commissioner and the Advisory Board, based on won/loss record, head to head competition then runs against between teams in question.

All rules are subject to the review and interpretation of the Commissioner and the Advisory Board.

UNIFORMS AND EQUIPMENT:

All players must wear appropriate Broadway Show League shirts at all times on the field. The name of the team, and, "Broadway Show League", must be displayed on the shirt.

All players must display the patch of Broadway Show League sponsor on their uniform.

Failure to wear an appropriate uniform shirt will result in an automatic strike one each time at bat. If no uniform is worn in the field, a one strike penalty will be applied the next time that position comes to bat. In the event of excessive heat, the commissioner and board may waive the uniform rule for the day.

No metal spikes or metal cleats are allowed.

Catchers must wear a catcher's mask.

Each team must supply a new first-quality "Clincher" softball for each game.

Illegal Bats- The use of illegal bats is extremely dangerous for players. All approved bats should be stamped ASA approved. If it does not say this, the use of the bat will not be permitted. In addition, bats that are stamped, but on the non-approved list from the ASA website will be illegal bats. If it is determined that a player has used an illegal bat, their turn at bat will be recorded as an out.

LINE-UPS:

1. Line-up cards will be maintained by each team. Line up cards must have the complete starting line up. Any player entering the game must enter their name on the line up card. Substitutes who enter and leave the game may not re-enter play. Line ups will be checked against official rosters.

It is recommended that each team keep an accurate score book of its games and of its opponent. Please use full names in your scorebook for easy cross-referencing to official rosters.

UMPIRES:

Umpires will have complete control of the game. Their decisions are final and binding.

Umpires will confer with Managers before the game concerning ground rules, League rules and roster concerns.

Umpires may remove players for cause. Any player or manager ejected twice is out for the remainder of the season including the playoffs.

Any player who strikes an Umpire will be barred from the League for life.

After the game has begun, the decision to call the game due to bad weather will rest with the Umpire in conference with the Commissioner and/or Advisory Board members.

All umpires must have a copy of League Rules with them at every game.

UNSPORTSMANLIKE BEHAVIOR WILL NOT BE TOLERATED.

Results of such behavior can include ejection from a game and suspension from games and/or seasons or more.

Any player or manager who engages in physical violence will be subject to suspension for not less than the rest of the season, and after June 1 subject to suspension for the entire next season.

Any player or players that menace, threaten, or assault the Commissioner, members of the Advisory Board, or any Umpire shall face all criminal charges and their TEAM shall be banned from playing in the LEAGUE for one season at least, that TEAM being not only the name of the organization or show, but also the players of said team, with no more than two of them allowed to play together on any other Broadway Show League team the following season.

An Umpire may forfeit a game to the opposing Team when he feels the conduct of a Team to be consistently in violation of the spirit of good sportsmanship. An Umpire may request to the Commissioner or a member of the Advisory Board that a forfeit be awarded, even after the game's conclusion.

PENALTIES:

Any team forfeiting twice is subject to be dropped from the league.

Managers shall be responsible for their team's familiarity with the rules. A Manager who loses control of his team may be ejected with the offending player. Any violation of these rules and guidelines may warrant the ejection of the offender and/or their entire team for the remainder of the season, including forfeiture of the entry fee. Interpretation and application of this rule is at the sole discretion of the Commissioner and the Advisory Board.

BARRELING:

A runner shall make the best effort to slide into a base when the possibility of a play at said base exists. If, in the opinion of the umpire, a runner deliberately runs into the fielder receiving the ball in an attempt to dislodge the ball or cause injury, the runner is automatically out, is ejected from the game and suspended from the next scheduled game. The offending player is also subject to League suspension for one year subject to the ruling of the Umpire of the game. The Commissioner and the Advisory Board may intervene and review any act deemed malicious or intentional.
